Carla

Get to know!

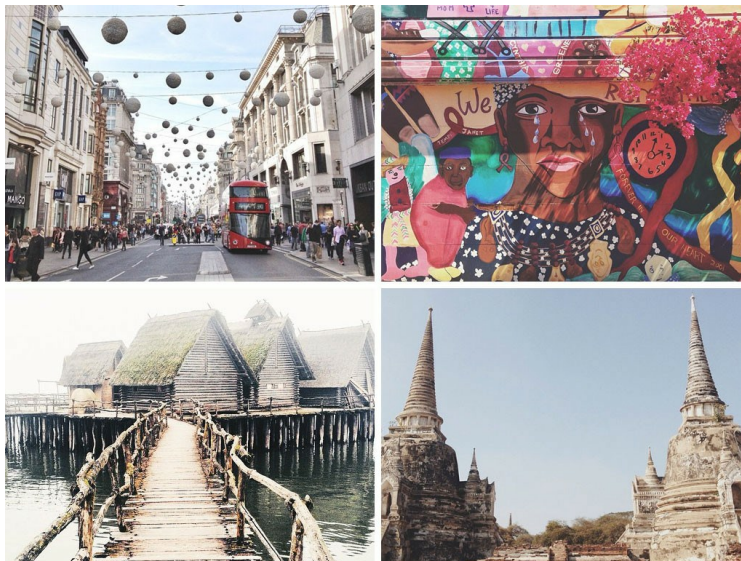

## Anita - @travelita

She's a Swiss girl who loves brunches, exploring big cities, wild animals and nature. In between her trips, she works as an urban and traffic planner. You'll see her personality reflected in her lovely images!

[View on Instagram](#)

## Susi M. - @blackdotswhitespots

She's a travel blogger from Germany who loves taking road trips all over the world. She's currently back in her mother land but has just gotten back from Thailand. You'll find deserted landscapes, street art, street markets and unusual landmarks and hotel accommodations.

[View on Instagram](#)

## Marco Lamberto - @polylm

He takes a lot of pictures around Milan and all over Italy but has also travelled to places like the Maldives and Iceland. His Instagram account is full of pictures that play with architectural structures, shadows and random faces. All of them tell a unique story!

### **Carlo A. Giardina – @willowwoncka**

It's not everyday you stumble upon a Instagram account with black and white pictures of different landscapes and monuments of around the world. This account doesn't only have beautiful pictures, but also images that express a lot of emotion. Take a look!

 [View on Instagram](#)

### Marzia B - @milkydrop

She's passionate about Photography and is "obsessed" with Instagram. Her pictures will make you want to hop on a plane to the country where most of her pictures are from: Italy!

 [View on Instagram](#)

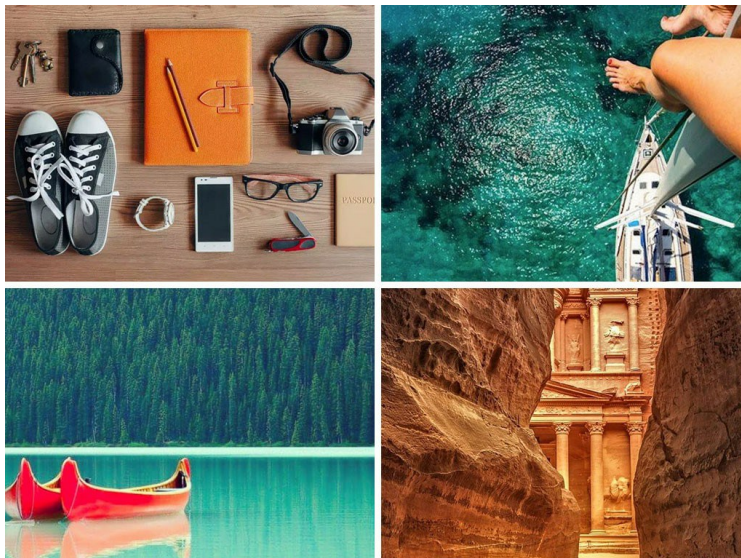

### Emma Bareca @hypoison

Instagram helped her rediscover her passion for photography. She likes seeing things through other people's eyes and share with her followers the northeastern part of Italy.
